Dear Mr. Wilson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H1 indicates that the federal allocation for administrative and generic voter drive costs is 22%. However, Commission calculations for some disbursements listed on Schedule H4 disclose the federal share to be 0%. Please clarify this discrepancy and transfer any excessive amount to the non-federal account, if appropriate.

-Schedule B supporting Line 23 of your report discloses contributions to a candidate for the primary election; however, these funds were disbursed after the May 3, 1994 election date. Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. Please clarify these contributions and disclose any redesignations or refunds as necessary on the appropriate schedules.

-Schedule H4 of your report discloses disbursements for activities reported as 100% Federal. For future reporting, please be advised that any activity which is financed entirely by the Federal account should be reported on a separate Schedule B supporting Line 21(b), not Schedule H4 supporting Line 21(a)(i). 11 CFR §106.5

-On Schedule H4, supporting Line 21(a)(i) and (ii) of the Detailed Summary Page, you have failed to include the total EVENT YEAR-TO-DATE FOR payment to all vendors
